INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the documents listed on the attached PTO-1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application before the mailing date of a first Office Action on the merits for the above-referenced application.

A copy of each listed non-US patent document is attached. The follow documents are in a language other than English.

a. Japanese Patent Publication No. 11-309710: In lieu of a statement of relevance, the Search Report is attached from the PCT application from which the present application is a national stage.

b. Japanese Patent Publication No. 55-17745: In lieu of a statement of relevance, the Search Report is attached from the PCT application from which the present application is a national stage.

c. Japanese Patent Publication No. 11-270442: In lieu of a statement of relevance, the Search Report is attached from the PCT application from which the present application is a national stage.

d. Japanese Patent Publication No. 2002-75586: In lieu of a statement of relevance, the Search Report is attached from the PCT application from which the present application is a national stage.

e. Japanese Patent Publication No. 2002-31280: In lieu of a statement of relevance, the Search Report is attached from the PCT application from which the present application is a national stage.

f. Japanese Patent Publication No. 7-190271: In lieu of a statement of relevance, the Search Report is attached from the PCT application from which the present application is a national stage.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If it should be determined that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of any such document. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP
